

This powerful, high acid cleaner removes even stubborn stains from porcelain, plastic tile, fiberglass, vitreous china and stainless steel. Ideal for use on toilet bowls, urinals, showers, drinking fountains and sinks.

**TOILET BOWLS:** Flush and then force as much water as possible from the bowl by pushing it over the trap with a bowl mop. Apply cleaner with the mop, cleaning the entire inside surface. Flush and rinse bowl with fresh water.

**URINALS:** First flush and then saturate mop head with cleaner. Clean all surfaces, including the water outlet at the top of the urinal. After all surfaces are clean, remove the urinal bottom screen and pour 2 to 5 ounces into the trap. Allow to stand for 3 to 5 minutes, then swab the bottom pipe thoroughly. Replace the screen and flush.

For daily cleaning of wash basins, bath tubs, showers and drinking fountains, dilute with 5 parts water and apply with a soft cloth. Rinse all surfaces completely.

# HEAVY DUTY BOWL CLEANER WITH 19.5% ACID

CLEANS, DESCALES & DEODORIZES  
REMOVES RUST AND STAINS  
ELIMINATES THE NEED  
FOR ABRASIVE CLEANERS
