

DIRECTIONS:

BOWLS: Flush and force as much water as possible from the bowl by pushing it over the trap with a bowl mop. Apply CERULEAN Organic Bowl Cleaner to a bowl mop, cleaning the entire inner surfaces including under the rim. Allow to set for 30 to 45 seconds. DO NOT ALLOW CLEANER TO DRY ON SURFACE. Flush and rinse the bowl with fresh water.

URINALS: Flush urinal. Saturate bowl mop head with cleaner. Clean all surfaces, including the water outlet at the top of the urinal. Allow to set for 30 to 45 seconds. DO NOT ALLOW CLEANER TO DRY ON SURFACE! After all surfaces are clean, remove the urinal bottom screen, pour 2 to 5 ounces into the trap. Allow to stand for 3 to 5 minutes, then swab drain outlet thoroughly.

TO REMOVE HARD WATER BUILD-UP OR RUST

STAINS: Apply CERULEAN Organic Bowl Cleaner directly upon surface. Allow 1 to 2 minutes for cleaner to neutralize and loosen lime, hard water and rust deposits.
