Sold By:

This auto cleaner and polish is a custom blend of high performance ingredients to give maximum durability and brilliant gloss to automobile finishes including acrylics. The special cream formula glides on easily and buffs out effortlessly to a hard shell finish that resists time, weather, detergents and automatic car washes. It also cleans, removes corrosion and stains and polishes fiberglass boat hulls, chrome, copper, stainless steel, brass, bronze, nickel, and aluminum.

**DIRECTIONS:** Product should be warmed to room temperature. Shake well before using. Move vehicle out of direct sunlight before starting.

1. Wash vehicle to remove excessive dirt or grit.
2. Apply a small amount to the surface or onto a damp, soft cloth and spread evenly.
3. Rub briskly into finish then allow to dry completely.
4. Wipe away residue with clean, dry cloth, then buff to a high luster. Turn or shake out cloth frequently.

**CAUTION:** CONTENTS UNDER PRESSURE.

May be harmful or fatal if swallowed. Keep away from heat or open flame. Do not expose to temperatures above 120°F. Do not puncture or incinerate can. Avoid contact with eyes or mucous membranes or prolonged contact with skin. Contains petroleum distillate. If swallowed, do NOT induce vomiting. Call physician immediately. KEEP FROM FREEZING.
