and first aid instructions.

KEEP OUT OF REACH OF CHILDREN

Sold By:

CARB & CHOKE CLEANER acts instantly on gum and varnish deposits, dissolving them to the bare metal in seconds. Also serves as an excellent penetrant to free hard to reach passages and sliding surfaces that are clogged or bound by gum, carbon or corrosive deposits.

DIRECTIONS FOR USE:

Automatic Chokes: Spray CARB & CHOKE CLEANER on the vacuum piston and cylinder and then on both ends of choke valve shaft. Keep working choke until it becomes free. Start engine and again spray contents on piston and cylinder while at the same time opening and closing the choke by hand.

Carburetor Linkage: Ideally suited for cleaning dirt from oily carburetor linkage. This buildup of dirt causes improper carburetor control. Just spray on linkage, let set for a few seconds and flush off by spraying again.

Manifold Heat Controls: Spray CARB & CHOKE CLEANER on exposed part of heater valve while engine is cold. Let fluid penetrate, then move counterweight up and down until valve is free.

DANGER: EXTREMELY FLAMMABLE

HARMFUL OR FATAL IF SWALLOWED. VAPOR HARMFUL. CONTENTS UNDER PRESSURE. Keep away from heat, spark or open flame. Prolonged exposure to sunlight or extreme heat may cause can to burst. Do not store at temperatures above 120°F. Do not puncture or incinerate container. Avoid prolonged breathing of vapors or spray mists. Use only in a well ventilated area. Do not take internally. Avoid contact with eyes and mucous membranes. Avoid prolonged or repeated exposure to skin. WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

FIRST AID:

If Inhaled: Remove person to fresh air. Perform artificial respiration if indicated. Obtain medical assistance.

If Swallowed: Do NOT induce vomiting. Obtain immediate medical assistance.

If In Eyes: Flush with plenty of cool for at least 15 minutes. Obtain medical assistance.

If On Skin: Wash with soap and water. If irritation persists, obtain medical assistance.
