## CITRUS GEL DEGREASER

THICK, CLINGING, EMULSIFIABLE  
POWER OF CITRUS EXTRACTS

NET CONTENTS: 10 Ounces

### CAUTION – COMBUSTIBLE

CONTENTS UNDER PRESSURE. Keep away from heat or open flame. Harmful if swallowed. See side panel for additional precautions and first aid instructions.

**KEEP OUT OF REACH OF CHILDREN**

Sold By:

Combines the thick-clinging ability of a gel degreaser with the easy use of an aerosol cleaner. This full-bodied formula provides maximum adherence to all surfaces, allowing the natural citrus solvent, d'Limonene, to strip away heavy grease and grime. Special surfactants and penetrating agents loosen deposits for easy flushing with water, leaving surfaces sparkling clean and free of residue. This unique formula works especially well for removing tar, grease, oil, asphalt and pitch from construction equipment, engines and a variety of other surfaces. Spray away your thick grease and grime problems with the penetrating abilities of this product.

**DIRECTIONS:** SHAKE WELL BEFORE USING! Spray liberally onto surface or parts to be cleaned. Allow to penetrate for 10 to 15 minutes. Flush away loosened grease, oil and grime deposits with a pressure spray of hot or cold water. Vigorous scrubbing with a stiff brush will speed removal of heavier accumulations while reducing penetrating time. Will not harm most vehicle paints and lettering, but always test a small, inconspicuous area before using. Do NOT apply to plastic parts.

### CAUTION – COMBUSTIBLE

CONTENTS UNDER PRESSURE. Keep away from heat, spark or open flame. Harmful if swallowed. Avoid breathing vapors. Use only with adequate ventilation. Avoid contact with eyes and mucous membranes. Avoid prolonged or repeated contact with skin. If in eyes, flush with cool water for at least 15 minutes. If irritation persists, obtain medical assistance. If swallowed, DO NOT INDUCE VOMITING. Give person several glasses of water and contact a physician immediately. If on skin, wash thoroughly with soap and water.
